

## **MODULE 6**

**Responses, Determinations and Disputes**

## **VIDEO 4**

**Summary**

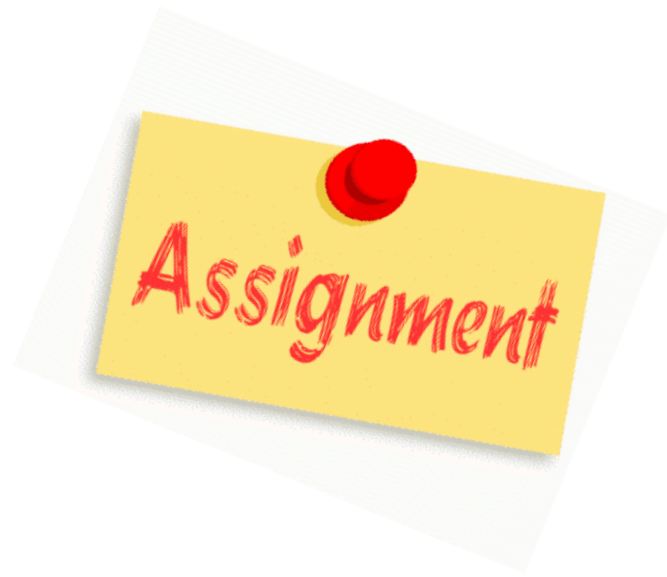

**Assignment**

**Additional Learning**

# Module 6 - Summary

- Responses and determinations
- Things to consider before responding
- Procedure for responses
- Arbitration
- Dispute Boards

# Module 6 Assignment

## Test Your Knowledge

The final assignment is designed to measure your understanding of the whole course and consists of a paper containing brief questions on all the modules

Those whose course assignments meet the pass grade will be eligible to join the **Institute of Construction Claims Practitioners** at **Associate** level without having to meet any of the other usual prerequisites

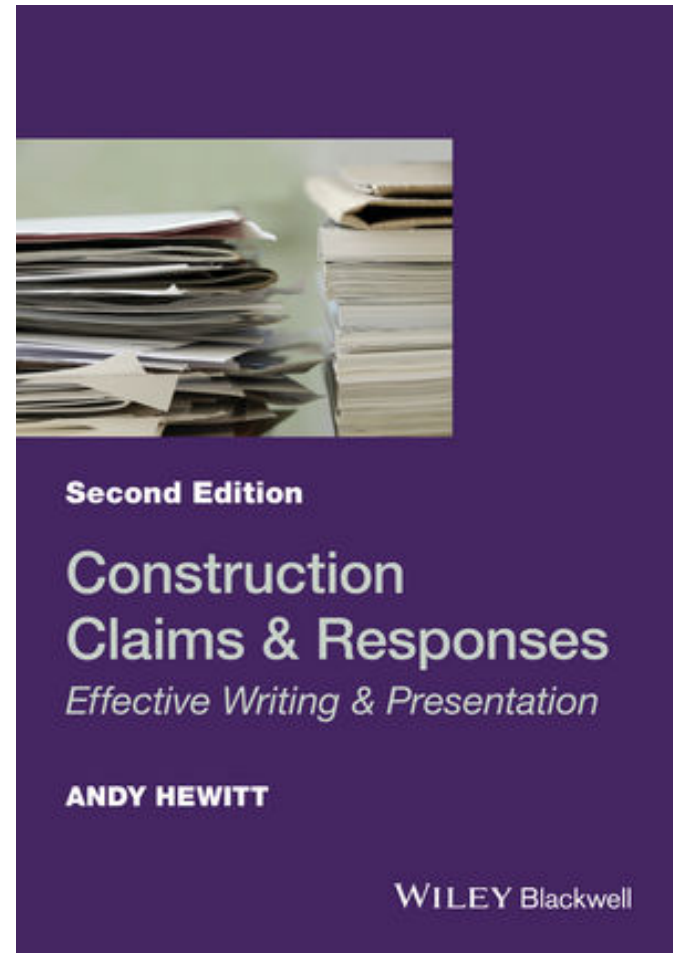

*Refer to the Student Guidebook for details on how to submit your assignments for grading*

# Additional Learning Resources

This course is based on the principles contained in Andy Hewitt's book *Construction Claims & Responses: Effective Writing and Presentation*

The book can be bought online and shipped internationally from:

- Amazon UK
- Amazon USA
- Wiley Blackwell
